

## WHY DRINK COFFEE WHEN YOU CAN GET A HEALTHY ENERGY BOOSTER WITH A CUP OF HOT CACAO!

This cacao drink is the best-ever substitute for coffee. Once you get this one entangled into your habits, it will be easy to drop toxic coffee. A delicious and healthy energy booster that makes coffee a second choice anytime of the day. The ingredients can be found in any health store.

- Organic raw cacao powder 3 bs
- Maca powder 1 teaspoon
- Organic goji berries 2-3 tbs
- Raw honey 1 teaspoon
- Coconut oil 1 teaspoon
- Cayenne pepper
- MSM powder 1 teaspoon
- A pinch of Himalayan salt
- Rishi mushroom powder
- Sugar free plant-based milk

Mix all dry ingredients in blender and store in dry place. Take a spoon full of the powder and blend with a cup of your favorite plant-based milk and heat up on the stove. Or blend one liter of milk with the powder and keep in the fridge ready to be heated when the urge for a coffee kicks in. Enjoy this best-ever, guiltfree heart-warming energy booster!
